Dear Al:

We want to take this opportunity to thank you for the quality service your company provided us at Holyoke Credit Union. You successfully pinpointed and resolved all of the configuration problems with the CCN control system and it is now working properly, for the first time since we've become involved with this job.

We sincerely appreciate your responsiveness and the quality of your services. The next time we find ourselves in need of expertise with CCN control systems, we will not hesitate to call you. We will also recommend your company to others looking for this type of service.

Sincerely,

Gary M. Cote
President
